Enrolling in Course

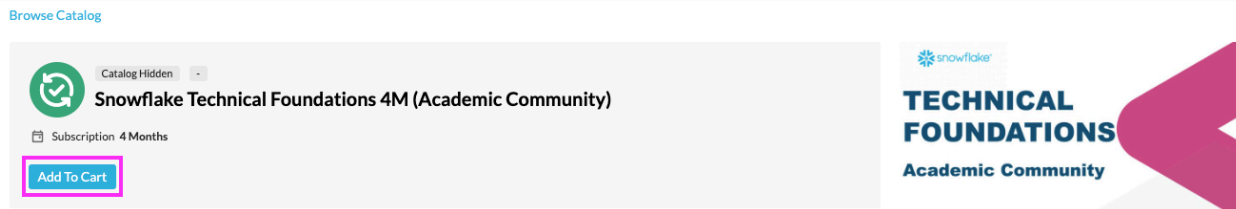

1. Log into training.snowflake.com, this will take you to your learning home page.
2. For the On-Demand course select **Paid On-Demand**.

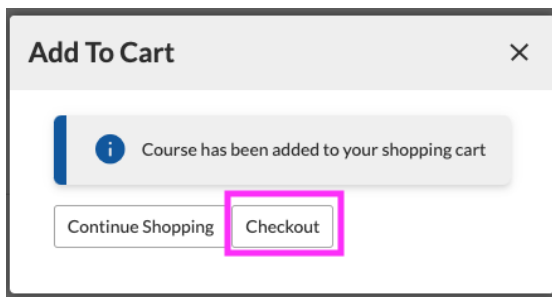

3. Select **Snowflake Technical Foundations 4M (Academic Community)**.

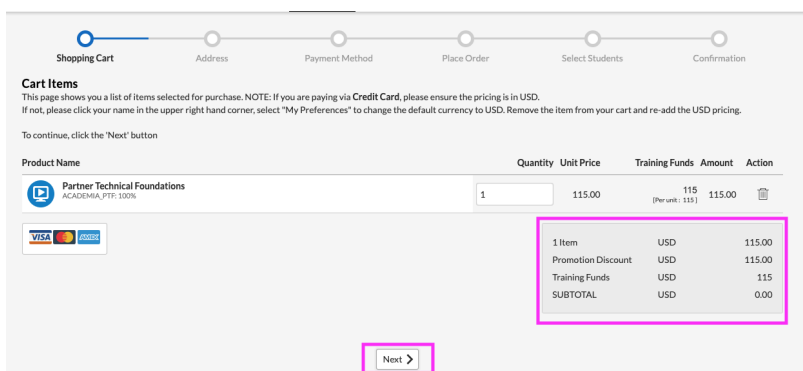

- On the course page, click **Add to Cart**.

- A window titled *Add To Cart* will appear. Select **Checkout**.

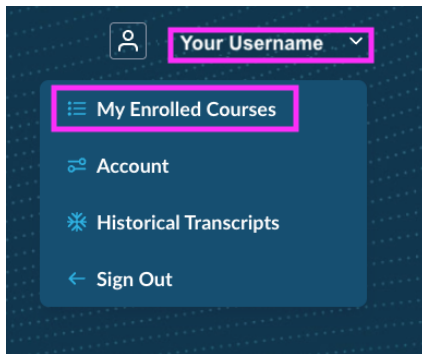

- Ensure your shopping cart subtotal is 0.00. **Click Next** and complete the check out process.

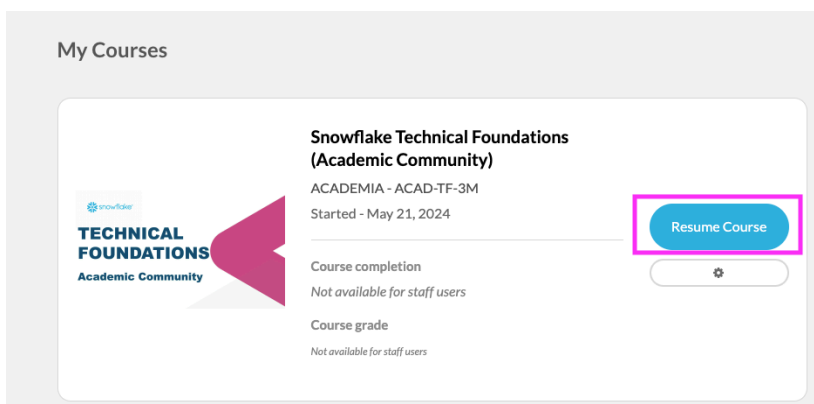

- Complete the checkout process. You'll **receive an email** within a few hours confirming your access which is **3 months**.

Accessing Course & Lab

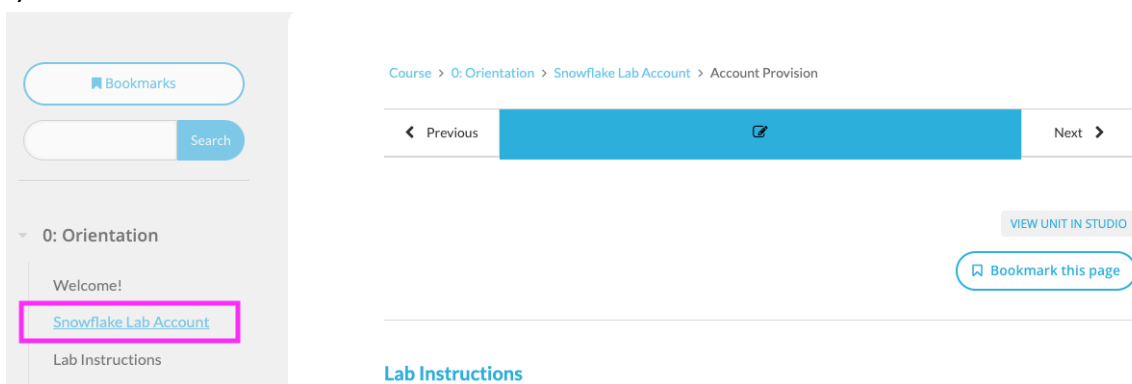

1. To get access to your course log into learn.snowflake.com
2. Click your **Username** in the upper right corner. Then **Click My Enrolled Courses**.

3. On the next page you will see a list of your currently enrolled courses. Select **Resume Course** to access.

4. On the left side of navigation go to **Snowflake Lab Account**. Follow the instructions to set up your 3 month lab environment.

Content Beyond the Course

Beyond the on-demand course you can use the lab environment for these self-paced topics.
